CHESHIRE

Wednesday 20th July 2016

Dear Parents,

The first day for our new 'Brereton Bears' wrap around care will be Wednesday 7th September when we will run both before and after school clubs.

Mrs Edwards who runs Playgroup/Preschool will be in charge of our wrap around care. She and a team of staff will be responsible for your child's care.

The breakfast club will run from 7.45am until 8.45am. Children will be given a breakfast of cereals and/or toast accompanied by fruit juice, water or milk. Activities will be organised by our wrap around care staff. The children will be escorted onto the playground to join the rest of the school at 8.45am, ready to line up at 8.50am.

Children will be given a hearty snack each evening and provided with drinks and fruit. Activities will be organised by our wrap around care staff. They will include craft activities, sports and games, board games and computer games. There will also be an opportunity to complete homework with an adult to assist and supervise should you require this service. Please let our staff know if you wish your child to complete their homework at Brereton Bears.

Our club will be hosted in the School House but we will also have access to the school hall, the playground and the school field.

Drop off and pick up will be through School House, accessed on School Lane. 6pm is the latest time that you can pick up from our after school care. Any late pick ups will incur an additional charge.

If your child is attending a sports club at school they will be escorted to after school club by the sports leader.

We will be asking you to pay in advance for wrap around care provision. Payment systems will be set up over the summer break and we will inform you of these via parent mail. I have attached to this email a Registration Form, please could this be completed and returned to admin@breretonps.cheshire.sch.uk as soon as possible.

There will be a small number of ad hoc places available each day if you do need your child to attend. The more notice you can give us, the more we can best meet your child's needs.

Have a wonderful summer break and we look forward to welcoming you next term.

Yours sincerely,

SJ Riley
