Dear Parents

I am writing to inform you about the initial arrangements that have been made for next years residential visit for year 6.

INVESTOR IN PEOPLE

We have booked for the following dates:-  
**Monday 26th March 2018 to Thursday 29th March 2018**

I have been organising residential visits for children at Brereton Primary School for many years now and Pensarn harbour and Bryn y Moel are the best venues I have visited by far. As the centres are small (approx 50 people) we have them to ourselves, a great advantage over other centres which hold several hundred children at any one time. All the staff are practising Christians which fits in well with our school ethos and a kinder and more attentive staff you could not find. The activities are very high quality and I have always felt that the children are in very safe and capable hands. We have always felt that a visit there is a magical experience that the children gain a great deal from physically, socially, spiritually and morally.

The exact itinerary will be finalised nearer to our departure date. We are likely to experience gorge walking, kayaking and raft building. We will be requesting sailing but this is dependant on many factors. There will be five activities in total.

Most parents now have a good idea of how our annual residential visits are planned and what they consist of, as this visit has now been in place since 2005. There is also the website which you may find interesting:- [www.cmcadventure.org.uk](http://www.cmcadventure.org.uk). There will be a meeting for parents of Year Six children in January (date to be confirmed)

The cost of the residential will be £261.50. This includes transport, cost of stay and activities and the McDonalds lunch on the journey home.

If you would like your child to go to Pensarn, please return the slip below with a deposit of £50 before Friday 27th October 2017. Payments can be made using the Cheshire East e-payment system. The balance can be paid in one or you can use our payment plans which are attached.

If you have any questions so far, please contact me at school.

Yours sincerely

T. Collier.
