Autumn Term
Friday 27th October

Dear Parents,

Thank you to everyone who attended the parent consultations this week. It is always a pleasure to discuss your child's progress with you.

Congratulations to the Year 3 and Year 4 pupils who played in the football tournament at Holmes Chapel Comprehensive School on Wednesday. Our Year 4 team was successful and beat Holmes Chapel Primary in the final. Our Year 3 team played really well, winning one of their games. Congratulations to everyone who attended!

The Rose Queen and her Attendants have asked to have a non uniform day today in aid of Cancer Research and The Christie Hospital. They are two amazing causes chosen by our children. Thank you for your generous support.

Pokémon Cards

Whilst many children have really enjoyed playing with their Pokémon cards at school, we feel that the time has now come to leave them at home to enjoy after school. We have children getting upset because they are trading cards and regretting it or children who feel isolated because they do not have access to the cards. Please could you support us by asking your child to leave them at home after the half term break? Many thanks.

We have had several reports of head lice in school. Please check your child's hair for head lice tonight.

Some pharmacies offer a Minor Ailments Service and can supply the treatment free of charge.

Christmas Fair

Brereton PTA needs you!! We need volunteers to help at this years Christmas Fair on Friday 24th November 6pm - 8pm. Please show your support and help either on the evening or setting up during the afternoon. Please contact Louise Guy for more information.

WE NEED YOU!

Remembrance Day

We will be holding our Remembrance Service in church on Friday 10th November at 2pm. This service will be led by Year 4. Everyone is welcome.

Poppies will continue to be on sale from until Friday 10th November. Alongside the standard poppies, we will also be selling the poppy merchandise as we have for the past couple of years and is very popular with the children. Poppies will be on sale at morning break or call in to the school office.

Key Dates

- Year 3 Nantwich Museum - Tuesday 7th November
- Reception/Year 1 Tatton Park - Wednesday 8th November
- Christmas Fair - Friday 24th November

Today we celebrate our Reception children who made vegetable soup earlier this week.

They read a book called 'Oliver's Vegetables' about a boy who only ate potatoes.

They decided to try all different sorts of vegetables in the soup. We even invited parents in to try some too.

How to have a safe and enjoyable Hallowe`en and Bonfire Night

Guidance from Cheshire Constabulary and Cheshire Fire and Rescue Service.

Cheshire Constabulary and Cheshire Fire and Rescue Service are once again joining forces this year to make sure everyone has a safe and enjoyable Hallowe`en and Bonfire Night. The blue light services are working together to crack down on anti-social behaviour and amplify key fire safety advice to ensure that Hallowe`en and Bonfire night go off with the right sort of bang.

We want to remind and encourage everyone to enjoy this time of year safely and to behave responsibly. It is important that everybody respects their local community and residents who do not wish to be disturbed by trick or treaters. If you see a clear sign which states 'No trick or treaters', or no pumpkins or other decorations, please respect that person inside by not knocking on their door. Indeed, if the door is not answered at all, please accept that they do not wish to participate and move on to the next house.

Parents please remember that some children's Hallowe`en costumes can be extremely flammable, there have been some horrific accidents in recent years. Check the labelling in any costumes you buy, and tell your child to take care when near an open flame. Also, consider using LED lights in pumpkins instead of candles. If you do use candles, be extra careful both inside and outside the home.

Bonfires and nuisance fires can quickly spiral out of control causing devastation to the community and even risking lives. If possible, attend an organised display rather than holding bonfires and hosting firework displays at home. Professional displays are bigger, brighter and much safer for yourself and your local community.
