29th January 2018

Dear Parents

Spaceport Thursday 15th March 2018

As part of our 'Out of this World' Topic, we have arranged for Reception and Year 1 to visit Spaceport, which will take the children on an inspirational journey through space, with several themed galleries which all feature a large variety of interactive hands-on exhibits! As well as learning about the sun, the moon and the Earth, we will also get the opportunity to become a virtual space explorer in a 360 degree, Space Dome Show, where we will find out how an astronaut is trained and the dangers they face in space.

The visit will take place during the school day, leaving at 9.00am and returning in time for the end of the school day. It is essential that your child is at school no later than 8.50am due to our departure time. The cost of the day, including transport and entrance fees is £13.24 per child. Please send your child to school in their school uniform with a packed lunch. If you require a school lunch please indicate below.

Due to our academy conversion, payment may only be made in school by cash/cheque, which should be made payable to Brereton Primary School.

Yours sincerely

The Reception and Year 1 team
