

Worship

In this week's worship, we considered how hope can still grow, even in challenging circumstances. Using the Parable of the Mustard Seed, we considered how small actions can grow into big results. During our reflection times, we thought about how we can grow hope deciding on ideas such as showing resilience, being with people

with the same hopes and deciding to see the positives.

Fundraising Evening

One of our former pupils will be hosting a bingo night to raise funds for a community outreach project in Borneo. Please do come and along and support the event.

NSPCC

This week, all pupils have taken part in the NSPCC Speak Out, Stay Safe assembly. Years 2, 5 and 6 were also able to engage in a wonderful workshop run by NSPCC volunteers. To find out more about keeping children safe, please visit the [NPSCC website](#) or speak to a member of staff.

Lockers

Our lockers have been designed to hold a small bag, a coat and a lunch box. Unfortunately, due to the size of the bags being brought to school, children are unable to fit their coats in their lockers. We have a limited number of coat pegs and so we often find coats on the floor. Not only are coats likely to be damaged by being stood on, they create a serious hazard. [Year 5 and Year 6 use the door by these pegs as a fire exit so we need to keep this area clear.](#) KS2 parents, please support us by sending your child with a small bag with their water bottle, reading book and diary and homework book. Thank you for your support.

Holmes Chapel Partnerships Sports

Unfortunately, due to staffing shortages, HCCS are unable to facilitate any sports competitions this half term. We hope this issue will resolve quickly and, in the meantime, Mr McAulay, Mrs Warren and Mr Aspinall will endeavour to provide our children with competitive sporting opportunities.

Love God, love learning, love one another.
