

# Brereton CE Primary School

26th February 2021

## Return of all Pupils

We were really pleased to hear that all pupils will return to school on Monday 8th March. Since the announcement, we have been busy finalising information for staff and parents and updating our risk assessments. Our procedures remain similar to those in place during the Autumn Term (and fingers crossed they will work just as effectively!). Timings, drop-off and pick-up points and bubbles will remain the same as before. Please see the updated Parent Handbook for more information.

We hope that all of our measures will keep our school community and families safe and that the plan to end lockdown can continue to progress. Whilst the end may be in sight, we are not fully through this dark period, so it is important that everyone still continues to make sacrifices and follow the rules in place, then we can all spend summer with friends and family creating memories.

## Track and Trace

If your child is accessing Key Worker and Vulnerable Pupil provision, please continue to notify school of any cases of coronavirus by e-mailing [covid@breretonprimary.org.uk](mailto:covid@breretonprimary.org.uk). This will enable us to continue to operate track and trace.

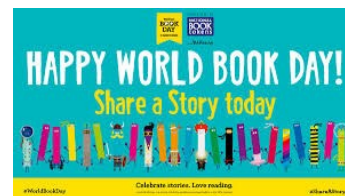

## Technology

If you are struggling to access Showbie due to a lack of technology please e-mail [covid@breretonprimary.org.uk](mailto:covid@breretonprimary.org.uk)

## World Book Day

Mrs Woods has sent out letter outlining plans for World Book Day next week. These include 'Masked Reader', den building and much more! You should have also received an electronic book token.

One initiative was to create an Amazon Wish List and we were very excited on Wednesday when our first books arrived! Thank you to everyone who has purchased books or shared the link. We can't wait to share them with the children.

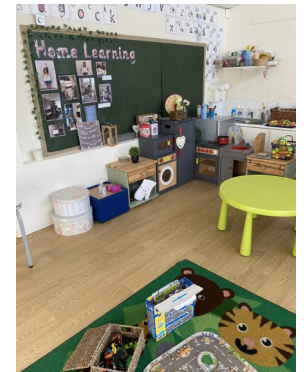

## Staffing

We are pleased to share that Mrs Pirie is expecting her second child. We would like to offer her and her husband the warmest congratulations.

## Site Update

We are proud to share a photo of our Reception classroom with it's lovely new flooring! Thank you to Miss Wellings who put everything back before the start of term.

Love God, love learning, love one another.

Matthew 20: 36-40

## Well Done!

Well done to all of the pupils for getting back into Remote Learning this week. We are incredibly proud of you.

## Well Done Darcey!

Well done to Darcey in Y3 who has chosen to walk/run for 46 miles in order to raise money for a charity which supports the homeless. We are so proud of you.

If you would like to support Darcey's fundraising mission please visit [https://www.gofundme.com/f/darceys-fundraising?](https://www.gofundme.com/f/darceys-fundraising?utm_source=facebook&utm_medium=social&utm_campaign=p_cp%20share-sheet&fbclid=IwAR2YPMdixVrqa6b9xAqc1G-V-xSCCJ3Ew63ED00_gz6W4Rfe73iYt4tYcQo)

## Lent

Resources for Lent have been added to the worship folder on Showbie for families to share at home.

Love God, love learning, love one another.

Matthew 20: 36-40

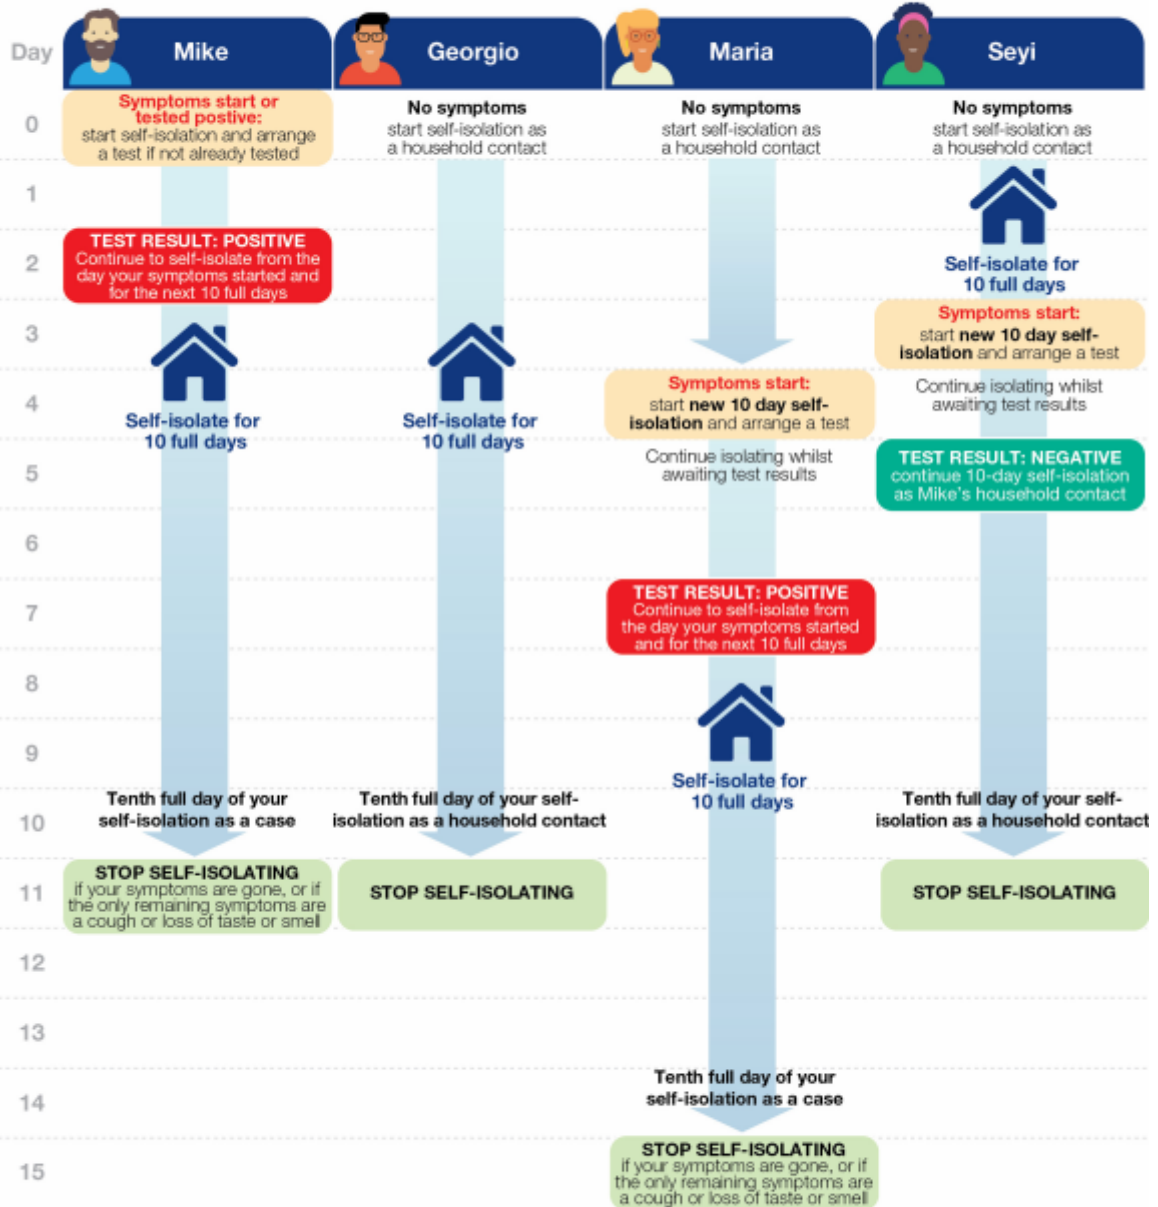

## Stay at home and self-isolate.

Please see [detailed guidance online](#).

**Mike's household:** In this example, Mike lives with Georgio, Maria and Seyi. Mike is the first case of COVID-19 in this household. He and everyone in the household begin self-isolating from the day Mike's symptoms start (or if he had no symptoms, from the date of his positive test).

### Self-isolate for 10 full days.

You need to self-isolate from the day the first person in your household started symptoms and for the next 10 full days. If they did not have symptoms, self-isolate from the day of their test and for the next 10 full days.

### To self-isolate means:

Do not go to work, school, or public areas and do not use public transport or taxis. Only leave your home to get to your test if you need to, observe strict social distancing advice and return immediately afterwards.

Love God, love learning, love one another.

Matthew 20: 36-40

# Fun With Phonics

**FREE: Live Webinar Thursday 11th March 2021**

Literacy Counts in Partnership with Cheshire East

Supporting Parents and Carers in Supporting Phonics

## This session aims to help you:

- develop your understanding of how phonics helps children read and spell words
- the importance phonics has in early reading
- respond to your child's growing understanding of phonics when they read
- encourage accurate sentence writing

This free webinar includes practical 'take away' activities and solutions for to support your primary school child with phonics.

## Fun With Phonics

**Date:** Thursday 11th March 2021

**Time:** 7-8pm

**Location:** Zoom

**7 - 8pm**
