Covid Testing

If a child or adult have covid symptoms they must still access a PCR test at a testing centre EVEN IF their LFT test done at home is negative. This is because the LFT test is designed to identify asymptomatic cases and they are less accurate than a PCR test. You can book a PCR test by visiting <https://www.gov.uk/get-coronavirus-test>

Old Toys and Books

If you are having a Spring clear out over the Easter break, we will happily accept donations of old books, toys and games. We would also like to develop a stock of wellie boots and waterproofs too if you have any that your child has outgrown. Thank you in advance!

Easter Egg Raffle

We will be holding our annual Easter Egg raffle on Thursday 1st April. Tickets are available to buy (in classrooms).

Tickets are £1 each. Any donations of eggs would be gratefully received. Thank you to everyone who has donated so far!

External Gates

All external gates will be locked during school hours. If you need to come to the office, please go to the gate on School Lane and ring the buzzer to alert Reception.

The gate on Newcastle Road will be unlocked before and after school to allow for dropping off and picking up at Bears. The padlock may be on the gate but it should not affect the opening. The gate on School Lane will be closed and Reception is not always manned outside of school hours so please use the Newcastle Road entrance.

On leaving the site you can exit onto School Lane and there is a green button on the wall (outside Mr Collier's classroom) which will release the gate.

We appreciate that these are new operations to get used to (staff are finding it tricky too!) but I am sure you would agree it makes our site incredibly secure and therefore safe.

Love God, love learning, love one another.

Matthew 20: 36-40
