Summer Term
Friday 29th April 2016

Dear Parents,

It was lovely to see so many of you in attendance for the Year 4 class assembly last Friday. The children were brilliant; remembering so many facts about the Vikings. I particularly enjoyed the Viking's treatment for head lice. Ask a Year 4 for further details!

A reminder that our summer uniform consists of a polo shirt (Brereton logo) grey shorts or grey trousers, **grey** socks and school shoes or a blue and white summer dress with long or short **white** socks, either can be worn with a school jumper or school cardigan. It is also fine to continue to wear the winter uniform and replace the long sleeved white shirt with a short sleeved white shirt.

From September all pupils will be expected to have the new blue PE t-shirt (Brereton logo) with blue shorts. If they are currently wearing the white t-shirt with a Brereton logo that is fine until September. In the colder weather a blue hoody and blue jogging bottoms are perfect for PE but no other colours please.

We love our uniform and how smart our pupils look. It sets us apart from other schools. Please ensure that your child is correctly dressed and maintaining a high standard. School/leavers hoodies are not acceptable uniform but are fine for PE lessons. If you would like an embroidered Brereton hoodie for PE please contact the office or Sam Dales.

Class Photographs

The photographer will be in school on Monday 16th May to take the class photographs. Please send your child into school in full winter uniform on that day.

CATCH IT
BIN IT
KILL IT

With a number of reports of slapped cheek syndrome in school, please can we remind you of the importance of hand washing and catching coughs and sneezes.

This week I would like to celebrate the role that our pupils play in staff recruitment.

We have spent two full days putting candidates through a rigorous recruitment process this week.

Our School Council and our Year Three children have given us amazing feedback. The children always leave me in awe with their pertinent comments and feedback.

Thank you for your assistance Year Three and School Council in this difficult job.
