

Brereton C of E (A) Primary School Newsletter

Summer Term
Friday 10th June 2016

Dear Parents,

We have had Chris Gilbert, the Art and Soul Man, in school this week working with Key Stage Two pupils on special panels relating to 'Global Education' and 'Faith'. Next Monday Chris will work with Reception and Key Stage One on a panel to celebrate the Queen and being British.

A reminder that anyone who is interested in wrap around care at school should fill in an expression of interest form and hand it in at the school office. Mrs Edwards from Pre-school/Playgroup will be running the wrap around care provision with staff whom we will be recruiting shortly. We have spoken to some pupils about the provision and are very excited about our plans for September. Work is beginning in School House to make the space appropriate for such use.

If any of you have any DVDs/board games/lego/unwanted craft materials/x-box/playstation/games etc that your child has outgrown or does not use that you would be willing to recycle for our wrap around care please speak to Mrs Edwards or Mrs Riley. We would appreciate any donations to help get us started.

Brereton Preschool

Brereton Preschool are holding an Open Day on Wednesday 15th June from 9.30am until 4.00pm. Spread the word to family and friends and pop in to see how Preschool spend their day.

If anyone has a cycle helmet that is too small at home, Preschool would be very grateful if you would donate it to them.

Parking

Please respect our local residents when parking your car. Do not park across driveways or on their grass verges.

Brereton Community Space

A set of goal posts have appeared in the community space. If they belong to you or you know who they belong to, please remove them or they will be removed and disposed of. Any queries, please contact Alistair Strang of the Brereton Community Interest Group

This week I would like to celebrate our children's art work.

It seems appropriate to do so whilst we have an artist working with us in school.

The ideas that the children have had for the panels are amazing and we have some brilliantly talented artists in every class.

We are really looking forward to being able to display the finished products for everyone to enjoy.
