Summer Term
Friday 24th June 2016

Dear Parents,

Congratulations to everyone who took part in our 'Musical Extravaganza' last Friday. The choir sang brilliantly and the musicians were fantastic. Thank you to Mrs Taylor for organising such a lovely evening for all of us. We have some extremely talented children here who showed real bravery and courage in standing up and performing in front of an audience. Bravo!

Today is due to be our Sports Day. At the moment the weather looks to be on our side although the forecast is not great. Fingers crossed the rain will hold off until we have finished our final race.

A massive thank you to the parents who have dropped off the Wii games, controller and Wii fit board, board games and dance mats. You have been so generous. We have two Wii systems for our wrap around care and these donations will be greatly appreciated by the children. If any one else has any DVDs/board games/lego/unwanted craft materials/x-box/playstation/games etc that your child has outgrown or does not use that you would be willing to recycle for our wrap around care please speak to Mrs Edwards or Mrs Riley. We would appreciate any donations to help get us started.

Parking

Please respect our local residents when parking your car. Do not park across driveways or on their grass verges.

We have had several cases of slapped cheek again in school this week. Please seek medical advice if you have come into contact with slapped cheek and you are pregnant or have a suppressed immune system.

This week I would like to celebrate our past pupils.

Occasionally we hear from families and friends of our ex pupils achievements.

Recently we have heard of pupils starting degree courses at various universities and two who have qualified as doctors.

One past pupil is just embarking on her masters degree!

It is always wonderful to hear of their successes! Please pass on any more stories of past pupils to us.
