Vision and Values

In this week’s worship, we explored how we are all connected. We listen to how Paul had explained everyone is important and valued: *If the foot should say ‘I don’t belong because I am not a hand’, then it would not stop being a part of the body... In the same way, the eye can’t say to the hand ‘I don’t need you!’ And the head can’t say to the feet ‘I don’t need you!’*

Children in Y5 have also delivered leaflets to the Bluebell Green Estate this week advertising the Brereton Summer events.

Cyber Security Parent Session

Cheshire police will be running an information session for parents on Friday 9th June at 2pm—please do try to attend. At the staff session, they explained that the average age of girls in indecent images on-line has fallen and the average age is now just 7-10.

Autism Awareness

Thank you to Mrs Knupfer who came to speak to KS2 this week about autism. It was interesting for the children to think about their strengths and difficulties and hear about some of the difficulties some people with autism face. Looking at scenarios was helpful in understanding what we can do.

Our Safeguarding Council then helped to deliver the session to KS1 And EYFS. Click on the image below to watch the video shared.

Netball Success

A huge well done to Thea, Emily and Thea who play for Sandbach Storm and recently won the league for the Year 5/6's . A particularly amazing win as it's their first season together and they played teams from all over the North West of England.

Ethos Conference

Two members of our ethos council attended an ethos conference at St George's Primary School in Hyde on Thursday. They had a wonderful day taking part in a range of activities helping them to know and understand themselves, make relationships with others and a relationship with God. They have some wonderful ideas to share these activities with other children in school.

Coronation Competition - Final Entries!

Brereton Parish Council are running an art competition to mark the King's Coronation. The theme is 'The Coronation' and entries should be no larger than A3. All entries need to be brought to school by Wednesday 3rd May. They will be displayed at St Oswald's and copies will be displayed on our school fence over the Coronation weekend. There will be a prize for the winner.

We can't wait to see your ideas.

Class Church Visits

Each week a class attends a children's service at St Oswald's at 10:30am on Thursday. This is a traditional church service for children and we invite parents to attend with their child. Church will be open from 10:20am and we ask that you ensure mobile phones are switched off.

A letter from school council

Dear Parents,

We are the school council. We have looked around our school and thought about areas we like and areas we want to improve.

Our least favourite area is the pond area on our playground. At the moment we can't use it because the wood is rotten and it is not safe.

We thought about what to turn it in to. We decided that it would be a good idea to turn it in to a sensory garden: a quiet and calm area for everyone to enjoy.

Our school has grown over the last few years and there aren't many quiet spaces. We talked to some children in school who would greatly appreciate a calm area to help them manage their emotions, but we think this area would be enjoyed by everyone.

We would like to include a covered seating area like a small summer house, a storage shed, raised flower beds, scented plants, a water feature, things to touch and things to look at.

You could help us to achieve this; we need your help. We thought about 3 ways to help.

Firstly, you could help us to clear or rebuild the space.

There are three dates you could help:

Wednesday 3rd May 9-11am

Saturday 6th May 10am-12

Monday 8th May 10am-12:30

Secondly, if you would like to make a donation towards our sensory garden fund, we have set up a donation bucket in the school office.

Finally, if you know of any businesses who might like to donate time, money or materials, please could you contact

Mrs Wood at school - nwood@breertonprimary.org.uk

Thank you,

School Council.

P.s this is what we hope our sensory garden might look like.
