### The Big Help Out

It was lovely to see so many members of the community on Monday who came to join 'The Big Help Out'. People completed training to use the defibrillator, signed up to take part in the hedgerow survey, knitted for various charities, cleaned community spaces and helped with the school's sensory garden project—thank you so much!

### KS2 SATS

Y6 have worked hard all week completing their assessments. We are so proud of their focus and determination and for taking them in their stride. Well done Y6!

### Well Done!

Well done on running The Killer Mile raising much needed funds for charity—a fantastic achievement!

### New Starters Meeting

Our meeting for parents with children starting Reception in September 2023 is next Monday, 15th May, at 6:30pm. We are looking forward to welcoming you.

### Sensory Garden Project

School Council were delighted with the support they have received so far. Several parents and staff have helped with the physical clearing, Pace's Farm Eggs have donated £500, Sophiellia, Grace, William and Elinor performed for their neighbours raising £40 and we have had offers of help with a skip and soil.

We are still looking for help with garden work anytime during the week of 22nd May and materials such as aggregate, paving and plants. Please e-mail Mrs Wood if you think you can help. [nwood@breretonprimary.org.uk](mailto:nwood@breretonprimary.org.uk).

### Water Bottle Plea!

Please could you ensure that children come to school with a water bottle. These should contain water and children are welcome to bring juice to drink with their lunch.

### Vision and Values

This week we have continued to focus on our vision of community highlighting the work completed during 'The Big Help' and the support Y6 have given to one another. Y2 have focussed on working

collaboratively. Finally Councillor Hannah Clews spoke to the children today about the work of the Parish Council and judged our art competition awarding a prize to the winner—Paige!
