Dear Parents,

We were so pleased the weather held out for our sports day on Friday. Congratulations to Mars who were the winning team this year. All the photographs are on the website for you to see.

Our Year Six class had their leavers prom on Friday night. A chance for them to begin their journey towards high school. They all looked stunning!

Year Two enjoyed a trip to Liverpool to visit the Maritime Museum. They took part in a storytelling workshop about the Titanic.

Year Four gave a performance on Thursday in assembly to showcase all that they have learnt with Mrs Tice on their violins and cellos.

E-safety Meeting

PC Amy Fletcher is coming into school on Wednesday 12th July to deliver an e-safety presentation. PC Fletcher is a Police Youth Engagement Officer and will be covering a wide range of subjects from social media to gaming. This is a parent only presentation from 3:30pm until approximately 4:30pm. In order to make it easier for you to attend, we plan to have two members of staff available to supervise the children either outside in the playground (weather permitting) or inside watching a DVD. This will be an informal and frank information session enabling you to stay up to date with the latest advice to help keep your children safe online. Mrs Wood and PC Fletcher look forward to welcoming you

This week we have chosen to celebrate the e-safety within school. The children have an excellent understanding of e-safety and have a wonderful kind and caring approach to each other

We are also delighted to have one of our children as a finalist in the Signal Radio 'No Troll Zone' competition to design a logo that would be on all school websites that states they are against online trolling.
