

## Parent Consultations

Next week, we have Parent Consultation appointments. These will be based outside on the front lawn. Chairs will be socially distanced and appointments will run for a maximum of ten minutes. This will help ensure that staff and parents do not come into close contact and therefore, won't have to isolate if there is a positive case.

When you arrive for your appointment, please enter and exit via the Newcastle Road South gate. The class teacher will open the gate at the allocated appointment time. Chairs will be sprayed between each appointment. Workbooks will be available to look at so please ensure you use hand sanitiser before using these.

Reports will be handed to parents at the end of the appointment and we will ensure we email these to any parents who haven't made an appointment, and also those who require additional copies.

Thank you for your cooperation with the running of these appointments. Hopefully you will find them useful.

## Parking

We have received complaints from residents about parking around the crescent and on corners. Please park considerately, ensuring our neighbours can enter and exit their homes safely. Thank you for your cooperation.

## Swimming

This week we had our final swimming sessions and every child had the opportunity to take part in a fun session. They thoroughly enjoyed it! Thank you to parents for their support with washing and drying everything over the last four weeks. We have booked the pool for two weeks next year and we can't wait to have it back!

Children will need to bring a packed lunch and wear clothing suitable for outdoor activities. A booking form can be found on the Brereton Bears page of our website and must be returned to school by July 16th.

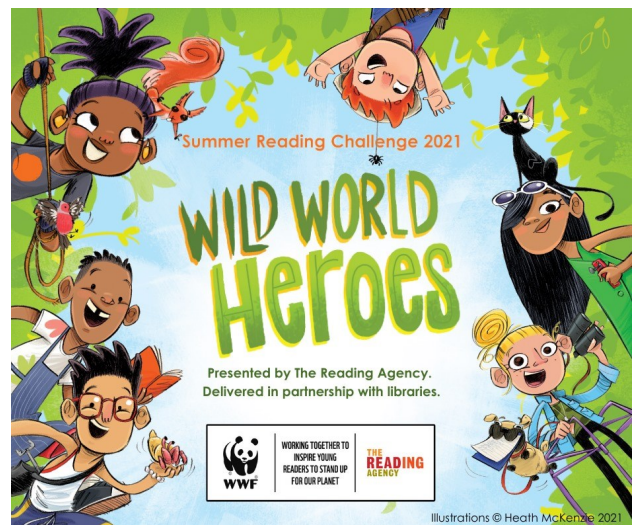

**Multiflex Summer Holiday Club**
