Autumn Term
Friday 10th November

Dear Parents,

What a busy week we have had this week with four classes going out on trips and visits.

Year 6 went to Liverpool to the Beatles experience. They had a wonderful time learning about turning points in British history.

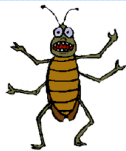

Reception and Year 1 went to Tatton Park for a ball in keeping with their current fairy tales topic. Thank you so much for your help with costumes. The teachers also looked amazing in their costumes for the day!

Year 2 have been learning about the Fire of Nantwich and visited the museum there this week.

Thank you to all of your support for the poppy appeal this year. Year 4 will be leading our Remembrance Service at St Oswald's this afternoon at 2pm.

We have had several reports of head lice in school. Please check your child's hair for head lice tonight.

Some pharmacies offer a Minor Ailments Service and can supply the treatment free of charge.

Christmas Fair

Brereton PTA needs you!! We need volunteers to help at this year's Christmas Fair on Friday 24th November 6pm - 8pm. Please show your support and help either on the evening or setting up during the afternoon. Please contact Louise Guy for more information.

WE NEED YOU!

Key Dates

Year 5 Blists Hill Trip - Friday 17th November
Year 6 Chemistry with Cabbage - Friday 17th November
Treasure Island Theatre Trip - Monday 20th November
Christmas Fair - Friday 24th November
Reception Nativity - Friday 1st December
Year 6 Class Assembly - Friday 1st December
Year 4 Tatton Park Trip - Friday 8th December

Today we celebrate our Reception and Year 1 pupils.

They visited Tatton Park for a trip on Wednesday 8th November and yesterday we received a letter from Tatton:

'The reason for this letter is to express the excellent feedback I received about your pupils from my Education Staff....One member of my team remarked in the twelve years she has worked in the department, this is the best school she has worked with.'

Thank you Reception and Year 1!
We are really proud of you all and your teachers.

Safeguarding

Still on internet matters, this week grooming over x-box live has hit the local news. If you are worried follow the links below to establish effective parental controls:

<https://www.internetmatters.org/parental-controls/interactive-guide/>

2 Select the 'Settings' menu, then scroll across to the 'Family' section. Now select the child profile you want to modify.

3 There will be a number of default privacy settings you can choose from. Select one and either keep the default settings, or customise them to suit your needs.

It provides set by step instructions to keep your child safe whilst playing on their x-box.

Kids you tube

If your child likes to use you tube you might be interested to know that there is a children's you tube which provides an alternative directed at children with additional safeguarding in place. Kids you tube is well worth a look.

Sharenting Tips and Guidance

Yes, this was a new word to me too!

Top tips for parents who share images of their children include:

1. Review privacy settings on social account

Get in control of who can see your photos by applying the right privacy settings. For an extra level of privacy explore setting up a private social network group with friends and family.

2. Check your network of friends

Make sure you are happy that all your 100+ friends who will see your photo are actual friends. If not, consider only sharing with a select group of people.

3. Do a final check before posting

Take a second look at the picture before you post it to make sure it doesn't reveal any personal details like your road or house number or their school name.

4. Get permission if image features other kids

Posting a picture of their birthday, the first day at school or another milestone event in your child's life which features their friends? It's always better to ask the other parents before posting.

5. Managing your child's digital footprint

If you've posted an image of your child from their first prenatal scan to their first day at nursery, it's important to consider how this will affect them in the future. As they get older seek their permission before posting.

See internet matters for more advice on this subject:
