

# Brereton C of E (A) Primary School Newsletter

Autumn Term  
Friday 24th November

Dear Parents,

The end of November is fast approaching and today is the day of our Christmas Fair. We look forward to welcoming all of you at 6pm to enjoy an evening of stalls, games, crafts and refreshments. Father Christmas has promised to join us too. Please come along and enjoy the fun.

Thank you to those of you who have started to engage with our new Twitter and Facebook pages. We are trying really hard to post new information and give you an insight into life in school.

Please follow us and help to promote the school through social media.

[@BreretonPrimarySch](https://twitter.com/BreretonPrimarySch) for our Twitter feed.

[BreretonCEPrimarySchool@BreretonCEPrimarySchool](https://www.facebook.com/BreretonCEPrimarySchool) for our Facebook page.

We asked for permission to publish photographs of your children when they joined the school. We already know that some children are not to be photographed for publication. If any of you are concerned about us using photographs of the children please do let us know.

## Academy Conversion

A great deal of work is continuing behind the scenes in order for us to complete our conversion to academy status with Chester Diocese Academy Trust before the end of this academic year. There are no major changes planned in terms of uniform or school name. Outwardly you will see very few changes but we are very excited to be working with CDAT and look forward to our future.

## Table Top Sale

An ex pupil of Brereton Primary School, Liam Woodall, is fundraising to take part in the World Scout Jamboree and he is holding a table top sale at The Scout Hut, Brereton on Saturday 25th November 10am-12pm. If you would like a table call 07803 903760. Go along and enjoy the stalls and a bacon butty!

## Flu Vaccinations

The team of school nurses were in school on Thursday administering the Fluenz vaccinations. It is not a small job to get approx. 115 children vaccinated! Our thanks go to them for their efficient and effective teamwork.

The flu vaccine for children has a good safety record but like all vaccines, some children may experience side effects. The side effects linked with the flu nasal spray vaccine are almost always mild and short-lived, such as blocked or runny nose, tiredness, headache and loss of appetite. Serious side effects are uncommon, but if you're worried about your child, trust your instincts and speak to your doctor or call NHS 111

## Key Dates

Christmas Fair - Friday 24th November

Reception Nativity - Friday 1st December

Year 6 Class Assembly - Friday 1st December

Year 4 Tatton Park Trip - Friday 8th December

Key Stage One Nativity - Tuesday 12th and Wednesday 13th December 2pm

Today we celebrate our PTA.

Without their hard work we could not put on events such as our Christmas Fair.

Our pupils are very lucky to have such a dedicated team who are willing to work really hard to ensure that the children can experience a great evening.

THANK YOU to everyone who has given up their time, baked cakes, donated toys and made sweetie jars.

You are all super stars!

Autumn Term  
Friday 24th November

## Safeguarding

Today our safeguarding focus is more adult based. We are looking at domestic abuse.

If you are living with domestic abuse or if you are concerned that someone you know is living with domestic abuse, Cheshire East have a domestic abuse hub:

- telephone: 0300 123 5101
- text: 07771 941 464

email: [cedap@cheshireeast.gov.uk](mailto:cedap@cheshireeast.gov.uk)

## CHESHIRE EAST DOMESTIC ABUSE HUB 24/7

Cheshire East Domestic Abuse Hub (CEDAH) is a single point of contact, information, consultation, referral, triage and case allocation for families affected by domestic abuse and those who support them - formally or informally.

High risk cases go straight to our Independent Domestic Violence Advocacy team. Hub staff call all other people referred in to identify what package of support is best for the whole family.

This support is provided by Barnardo's and Cheshire Without Abuse working in partnership with others.

Keeping safe purple cards are available in the school reception should you need a copy. Please remember that we are here to help adults as well as children. Come in and talk to us. We can help.

## Sharenting Tips and Guidance

Yes, this was a new word to me too!

Top tips for parents who share images of their children include:

### 1. Review privacy settings on social account

Get in control of who can see your photos by applying the right privacy settings. For an extra level of privacy explore setting up a private social network group with friends and family.

### 2. Check your network of friends

Make sure you are happy that all your 100+ friends who will see your photo are actual friends. If not, consider only sharing with a select group of people.

### 3. Do a final check before posting

Take a second look at the picture before you post it to make sure it doesn't reveal any personal details like your road or house number or their school name.

### 4. Get permission if image features other kids

Posting a picture of their birthday, the first day at school or another milestone event in your child's life which features their friends? It's always better to ask the other parents before posting.

### 5. Managing your child's digital footprint

If you've posted an image of your child from their first prenatal scan to their first day at nursery, it's important to consider how this will affect them in the future. As they get older seek their permission before posting.
