Autumn Term  
Friday 15th December

Dear Parents,

What a very busy week we have had with nativities and Christmas dinner!

Key Stage One performed 'Prickly Hay' on Tuesday and Wednesday afternoons. They were absolutely brilliant! Thank you for your help and support with costumes; the children looked amazing. Their singing was lovely and lines were delivered with volume and confidence.

Our Ofsted report is now being compiled by our team of inspectors and the judgements will then be validated by Ofsted before they can be shared with the staff and you, the parents. It is expected that this process will not be completed until after the Christmas break so please be patient and we look forward to sharing the news with you at the appropriate time.

One piece of feedback that I can share with you is that the children were a credit to the school. The inspectors found them polite, well behaved and wanted to pass on their thanks for the way that the pupils engaged with the inspection.

Just the thought of feeding one hundred and seventy people makes me feel ill and yet these ladies manage it each year with a smile!

## Safeguarding

Today our safeguarding focus is more adult based.  
We are looking at domestic abuse.

If you are living with domestic abuse or if you are concerned that someone you know is living with domestic abuse, Cheshire East have a domestic abuse hub:

- telephone: 0300 123 5101
- text: 07771 941 464

email: [cedap@cheshireeast.gov.uk](mailto:cedap@cheshireeast.gov.uk)

## CHESHIRE EAST DOMESTIC ABUSE HUB 24/7

Cheshire East Domestic Abuse Hub (CEDAH) is a single point of contact, information, consultation, referral, triage and case allocation for families affected by domestic abuse and those who support them - formally or informally.

High risk cases go straight to our Independent Domestic Violence Advocacy team. Hub staff call all other people referred in to identify what package of support is best for the whole family.

This support is provided by Barnardo's and Cheshire Without Abuse working in partnership with others.

Keeping safe purple cards are available in the school reception should you need a copy. Please remember that we are here to help adults as well as children. Come in and talk to us. We can help.

## Sharenting Tips and Guidance

Yes, this was a new word to me too!

Top tips for parents who share images of their children include:

### 1. Review privacy settings on social account

Get in control of who can see your photos by applying the right privacy settings. For an extra level of privacy explore setting up a private social network group with friends and family.

### 2. Check your network of friends

Make sure you are happy that all your 100+ friends who will see your photo are actual friends. If not, consider only sharing with a select group of people.

### 3. Do a final check before posting

Take a second look at the picture before you post it to make sure it doesn't reveal any personal details like your road or house number or their school name.

### 4. Get permission if image features other kids

Posting a picture of their birthday, the first day at school or another milestone event in your child's life which features their friends? It's always better to ask the other parents before posting.

### 5. Managing your child's digital footprint

If you've posted an image of your child from their first prenatal scan to their first day at nursery, it's important to consider how this will affect them in the future. As they get older seek their permission before posting.
