Spring Term
Friday 26th January 2018

Dear Parents,

We are already half way through this half term. It has been particularly busy with Chester Diocese Academy Trust work starting to become a greater focus. I was out at a meeting with other heads from Church schools this week to decide upon ways in which we can improve learning and opportunities for all of our young people. Exciting times!

Athletics

We took a group of Year 3 and Year 4 pupils to an athletics event at Holmes Chapel Comprehensive School on Wednesday. The children enjoyed the event and represented the school well.

Reception igloo

Thank you to everyone who has donated milk containers. The construction is nearly complete and thanks to some huge bags of containers that arrived this week, I think we now have enough to complete the igloo.

Academy Conversion

A great deal of work is continuing behind the scenes in order for us to complete our conversion to academy status with Chester Diocese Academy Trust before the end of this term. There are no major changes planned in terms of uniform or school name. Outwardly you will see very few changes but we are very excited to be working with CDAT and look forward to our future.

Dance Club

Miss Sherliker is going to continue to offer the dance/keep fit club on a Tuesday mornings from 8:30am.

Shoe Mystery

We still have a lonely size seven black Lonsdale shoe that is in need of its partner.

If your child finds such a shoe in their PE bag or school bag please could they return it to Year 5 so that it can be reunited with its owner.

Today we celebrate the computing skills that our Year 5 and Year 6 pupils are developing.

This week they have worked with microbits; successfully programming them much to the bafflement of a few members of our staff!

Thank you to Matthew from youthfed who has been in running these sessions for us.

We are supporting Safer Internet Day 6 Feb 2018

#SID2018
www.saferinternetday.org.uk

Safer Internet Day 2018 will take place on Tuesday 6th February with the theme '**Create, Connect and Share Respect: a better internet starts with you.**'

Coordinated in the UK by the UK Safer Internet Centre the celebration sees hundreds of schools and organisations join together to raise awareness of online safety issues and run events and activities right across the UK.
