Weekly Bulletin

Worship

This week Mrs Mclean introduced us to inspiring videos of people who had helped others expecting nothing in return. We thought about how this linked to our school vision to 'Love God, Love Learning and Love One Another.'

During our reflection time we thought about a 'Do something for nothing' challenge.

On Thursday, our Worship Council led our assembly. They shared what hope meant to them and discussed times when having hope had allow them to overcome adversity.

Parking

Please could we ask that you ensure you do not drop off or park on the zig-zag lines before or after school. This includes the lines on School Lane and helps to ensure everyone's safety. School Council will be looking at parking next half term.

NO PARKING

Thank You!

Thank you for your donations for the spring present room. Children will have the opportunity to select a gift for someone special on Friday 8th March.

Mini Medics

Well done to Year 5 for completing Mini Medics! Mr Aspinall will be popping in after half term to check in!

Charity Toy Sale

Thank you for all of our wonderful donations! We will let you know how much we raised after half term.

Pancakes!

It was lovely to see Shrove Tuesday celebrated in Breakfast Club and EYFS. The children certainly enjoyed it!

Love God, love learning, love one another.

Matthew 20: 36-40

Netball Success!

Congratulations to the girls who play for Sandbach Cyclones. They won division one in the Warrington league and have now been promoted to the premier league. A huge achievement

DIVISION 1 CHAMPIONS
WARRINGTON JUNIOR LEAGUE YEAR 5/6

Parent Autism Training

ChAPS has been commissioned to offer autism parent training programmes in Northwich, Winsford, Crewe, Middlewich, Chester and Ellesmere Port on behalf of the NHS Cheshire and Merseyside Integrated Care Board (ICB).

The 6 week training course is aimed at parents whose children are on the pathway to diagnosis, or who have a child that has recently received an autism diagnosis. On completion of the 6 week course, parents are also able to attend any number of 6 specialist courses on subjects such as PDA, sensory processing and masking – further information and opportunity to book on these courses will be given on completion of the 6 week course.

See the link below for further information.
