

Brereton CE Primary School

Friday 15th March 2019

Dear parents,

This week we have had a large number of visitors in school: PCSO's, NSPCC volunteers, student teachers and church school headteachers. They have all commented on the school atmosphere and environment and how polite and hard working the children are so I would like to take this opportunity to thank everyone who works within the school for their hard work and to the children for being such superstars!

Easter Egg Raffle

Our Rose Queen, Millie, and her attendants will be holding an Easter egg raffle on Thursday 28th March. All proceeds will go to Cancer Research. Any donations of chocolate eggs or bunnies would be most gratefully received. Tickets will be available at morning break from 18th March.

Red Noses

We have now sold out of our red noses and have raised a fantastic £250 for comic relief.

Maths Evening

School will be hosting a Maths evening for parents on Tuesday 30th April. Each class will share how they teach calculation and how you can support at home. Each class workshop will be run twice between 4pm and 5pm so parents can attend more than one session. Presentations and supporting booklets will be shared with all parents. Further information will be sent out shortly.

Netball

Well done to our Y5/6 Netball team for their energy, enthusiasm and positive attitude at Monday's tournament.

PSCO Assembly

On Tuesday, we welcomed Sue and Michelle, our local PCSO's. They worked with both Key Stages, delivering a talk on respect in our local community.
