

Dear parents,

Thank you to all of those who attended parents consultations this week. We hope you found them useful and informative. Remember we are always happy to speak to parents if they have any worries or concerns.

Easter Egg Raffle

Our Rose Queen, Millie, and her attendants will be holding an Easter egg raffle on Thursday 28th March. All proceeds will go to Cancer Research. Any donations of chocolate eggs or bunnies would be most gratefully received. Tickets are now available!

Maths Evening

School will be hosting a Maths evening for parents on Tuesday 30th April. Each class will share how they teach calculation and how you can support at home. Each class workshop will be run twice between 4pm and 5pm so parents can attend more than one session. Presentations and supporting booklets will be shared with all parents. Further information will be sent out shortly.

Netball

Well done to our Y3/4 Netball team for their energy, enthusiasm and positive attitude at Wednesday's tournament.

Stoke City Football Club

Stoke City representatives came into to lead an assembly on Thursday. They were promoting the City 7's scheme. Each child has been given a letter which entitles them to a discounted match ticket. Year 2 also got a kit bag containing a home shirt!
