

Brereton CE Primary School

Friday 3rd May 2019

Maths Evening

Thank you to all those who attended our Maths workshops. We hope you found them useful. The supporting booklets will be added to class pages on the school website by Monday.

Ethos Group

This week we welcomed children from our fellow CDAT schools for an Ethos Group workshop. Mrs Pulle worked with the children to find out more about Christian Aid week and we look forward to our Ethos Group sharing their assembly with us in two weeks.

York Residential

Year 4 have had a fantastic time in York! Their attitude to learning was fantastic, as was their behaviour. They were an absolute pleasure to take and they look forward to sharing what they learnt with you in their class assembly on 17th May at 3pm.

St Luke's Music Festival

Last Saturday our choir performed at St Luke's music festival. They performed beautifully and brightened up a very grey morning! Thank you to all those who attended. If you know of any other local events our choir could perform at please speak to Mrs Taylor or Mrs McLean.

Safeguarding

On Monday we welcomed Becky and Catherine from Cheshire East's safeguarding team. We invited them in to conduct a safeguarding audit in order to identify areas for development and help us to improve our practise. They observed start and end of day procedures, reviewed policies and training records and were taken on a site walk by the children. Thank you to all parents who spoke to them. The safety and welfare of our children is our key priority and it was useful to identify good practise as well as identify where we can tweak what we do to make it even better. We expect the full report in four weeks, after which our safeguarding team will share key highlights and actions with you.

New Starters

By now places for September 2019 should have been accepted. We will be sending out letters to all our new starters next week inviting them to a Starting School meeting on Wednesday 22nd May at 6pm. We look forward to welcoming them!
