

Brereton PTA Feedback Survey

Thank you to everyone who took the time to complete our survey in July. Your feedback will help us to improve the way that the PTA keeps you informed and will also help to prioritise our activities and spending this year.

We will...

Most parents feel informed about what the PTA does, mainly through the weekly school newsletter and Facebook page.

Continue to keep you informed via our existing methods but also by using the new PTA noticeboard by the car park.

80% of people think the number of PTA events is just right but that sometimes there can be too many in a short space of time.

Aim for a similar number of varied events, ensuring these are appropriately spaced throughout the year (see calendar overleaf).

There's a lack of awareness about how PTA funds are spent.

Communicate what we are fundraising for when we request donations / arrange events, as well as sharing how much was raised.

More notice is needed about PTA meetings and events.

Schedule events well in advance on the PTA Facebook page and publish a calendar (see overleaf)

We can't always support events but would like to donate in another way.

We are looking into options including ad hoc donations via ParentPay / monthly direct debits / Amazon wish lists.

We need your support!

Everyone with a child / children at the school is a member of the PTA, so please spare as little or as much time as you can to help to raise funds to enrich our children's learning.

If you're able to help at any of the above events, please send us a message via our Facebook page or call into the school office.
