

Anti-Bullying Week

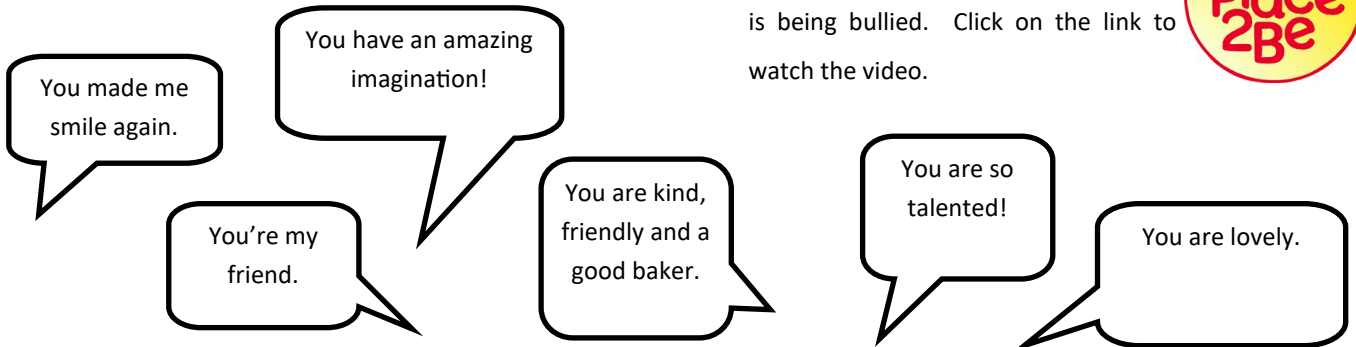

This week our Safeguarding Council delivered an assembly on Anti-Bullying Week. This years theme is 'One Kind Word' so we have all been

practising giving compliments, offering help and support to others and using beautiful manners. It has been lovely to hear the children embrace this theme and make one another smile.

Here at Brereton, we will not tolerate bullying and any such behaviour is taken very seriously. All incidents are recorded and parents are informed. Appropriate sanctions are put in place, as well as a programme of support for all children involved. If you are ever worried about your child, please let a member of staff know as soon as possible so we can address the situation immediately.

Place2Be have also made a great video to help parents if they think their child is being bullied. Click on the link to watch the video.

Anti-Bullying Week 2021

This week is Anti-Bullying Week and the theme this year is 'One Kind Word'. Children and parents may be interested in this selection of books about bullying and kindness.

Why not see if your local library has these or other similar books available?

Praise from Visitors

Last week, we welcomed leaders from Liverpool and Chester Diocese. They were incredibly impressed with the pupils' attitudes, behaviour and knowledge. They also praised the staff, highlighting the level of care and close relationships, as well as the lovely learning environments, which all help to make the school a warm and welcoming place to be.

Love God, love learning, love one another.
