Fundraising for the Australian Fires

The children should have brought their sponsorship forms home today, ready for the 'Bouncathon' on Friday 31st January. There will be a range of activities on offer throughout the day, all designed to get the children jumping. These include a space hopper obstacle course, speed bouncing and sack races. All children are to come to school in their school PE kit.

PTA Disco

The PTA will be holding a Valentine's Disco on Friday 14th February 6-8pm. Tickets are £2.50 per child and adults and pre-school children are free. There will be food and drink available to purchase, as well as tattoos, glow sticks and Valentine's themed treats. Please do come along and support the event.

Can we ask that children do not bring their mobile phones to events such as discos? Some children who attend these events cannot be photographed and our pupils will not be aware who has permission and who doesn't. We would much prefer the children to interact with one another too, rather than spending time on devices! Thank you for your support.

Parent Governor Elections

Please ensure you return your ballot papers by midday on Wednesday 29th January.

Indoor Athletics

Well done to our Y5/6 athletes who took part in the HCCDP indoor athletics event on Wednesday. Everyone showed incredibly determination, commitment and sportsmanship. There were some incredibly performances and Brereton came third overall! A special well done to Maya who stepped in despite only being in Year 4!

Times Table Rock Stars

Years 2-6 have started to use Times Table Rock Stars to help develop their recall of times tables. The app tests accuracy and speed and children can earn coins by performing in gigs and battles. These coins can then be spent in the shop on improving their rock stars look and equipment. Children can challenge one another and we will be battling other schools.

Quick recall of times tables makes a huge difference to children's achievement in Maths and we hope this is a fun way to develop key skills.

Love God, love learning, love one another.
