Feedback from Little Moreton Hall

Hi Rachael,

Our Education Team asked me to send some feedback on the visit from your Year 4 class today. The team said the pupils were a joy to work with. They were exceptionally well behaved and showed a genuine interest in the Hall as well as a strong knowledge of Tudor history. They said it was great to have a very local school here because the children had a connection with the place and appreciated it even more for that. We hope you will come back and see us again in future. Here is a link to our events page in case the children would like to visit with their parents over the coming season: <http://www.nationaltrust.org.uk/little-moreton-hall/things-to-see-and-do/>.

Many thanks and best wishes,

Anna
