

Dear Parents,

Firstly, thank you so much for your support, patience and goodwill this last week. As I said in a previous letter, we have always been thankful for the marvellous support offered by our parents here at Brereton and this week has really highlighted what a fantastic school community we have.

We have now e-mailed offering childcare to those families who need it. Again, thank you to parents for answering our questions as quickly as possible.

Those children entitled to free school meals will receive an email as soon as possible, explaining how their food vouchers will be distributed.

It has been quite emotional today, watching the children and being unable to give them clear timeframes of when things will return to normal. With this in mind, we made a bit of a fuss of Y6 today, just in case.

The next few weeks look uncertain and this can be incredibly worrying and frustrating. Please remember, we are here if you need us and we will do as much as we can to support you. As the bible says, "When you go through deep waters, I will be with you." (Isaiah 43:2). Our community has really pulled together to support those most in need, showing we are all in this together. We will continue to update our website and social media pages.

Thank you to all of the staff for their hard work and positive attitude this past week. The team here, as ever, have been outstanding.

As soon as we know more about the duration of this situation we will let you know. In the meantime, please stay safe and we will keep all of our families in our thought and prayers.

Mrs McLean

## Year 6

Today we gave Y6 their leaver's hoodies. We then watched a video of their time in Reception—my how they have grown!
