

Dear Parents,

We hope you are all safe and well. It has been a strange sort of week and we have struggled to get into a routine here at school so I can only imagine how you are feeling at home, juggling a number of roles and commitments. Remember, class work is there as a guide. The most important thing at the moment is to keep the children (and yourselves!) happy and safe. We appreciate all of your efforts to keep schooling going but please don't panic if it isn't going as well as you had hoped. Encourage the children to complete activities independently (den building, puzzles etc) and the best thing they can do is read, read, read!

We will be updating the website and social media pages as regularly as possible and sharing anything we think may help you.

Our thoughts and prayers are with you all and we miss you all dearly.

Stay safe!

Mrs McLean
