Kindness Worship

Our Ethos council led worship this week. The focus was kindness, using Jesus as our example. They reminded us of our school values of friendship, compassion and respect. They talked about what these look like in school: giving a compliment, helping someone, using your manners, caring for others. They have also organised a kindness post-box at the front of school, for messages of thanks and recognition, and kindness jars in classrooms to ‘collect’ acts of kindness. Mrs McLean and Mrs Wood are also delivering sessions throughout the week with Y4, Y5 and Y6 on anti-bullying and resilience.

Easter Egg Raffle

We will be holding our annual Easter Egg raffle on Friday 22nd March and tickets will be on sale from Monday 7th March. We would be most grateful of any donations of eggs. This year, all funds will go to Save the Children’s Ukraine crisis appeal.

E-Safety Workshop for Parents

Sue Holt, our PCSO, will be running an E-Safety workshop for parents at school on Tuesday 15th March at 2pm. Please contact the school office to book a place.

Netball

A huge well done to our Y5/6 netball team for their outstanding performance on Wednesday night. Mr McAulay was so proud of their excellent teamwork - they were the clear winners of the tournament. Well done!

Mother's Day Present Room

Thank you for your generous donations to the Mother's Day Present Room.

On Friday 25th March, children will have an opportunity to buy a Mother's Day gift from the PTA Present Room for £2. The children love being able to choose and wrap their own gift so it is about the experience as well as fundraising.

British Science Week 2022

Today marks the start of British Science Week, and all next week classes throughout the school will be involved in practical experiments on the topic of 'Growth'. We are very lucky to be welcoming a number of parents who have volunteered to come into the school to talk about their experiences of STEM and how it has led them into their careers.

In addition, the British Science Association is running a poster competition. Pupils can make a poster about any version of 'Growth' that they like and can use pop-up pictures, pull out tabs or use materials, pencils, paints, crayons and paper to create their posters. Prizes will be given from school, and the best 5 will be submitted into the national competition.

More details and ideas can be found at <https://www.britishsienceweek.org> and the closing date for entries into the school is Friday 1st April - the last day of spring term.

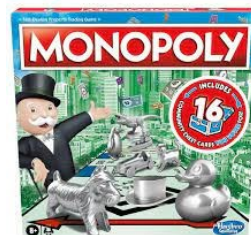

PTA Meeting

There is a virtual PTA meeting on Wednesday 16th March at 6:15pm. The link will be emailed out next week. Please do come along.

Board Games

Mrs Wiggs would like to add to the selection of games for Board Games club. If you have any games you no longer use, she would appreciate your donation.

SLEEP WORKSHOPS

Supporting your child with sleep

Visyon's Family and Community Wellbeing Team are pleased to offer a **Parent Workshop** which will support you in understanding why your child may be struggling to sleep. We will explore the science of sleep and practical strategies to support sleep.

The Programme is available to families in Cheshire East and will be held at Visyon in Congleton for face-to-face delivery. If you would like to book a place on the Programme, please contact rachel.roberts@visyon.org.uk who will contact you with further details. Places are limited and will be allocated on a first come basis.

Parent Workshops – Sleep (2-hour workshop)

Tuesday 22nd March 2022 at 10:30am – 12:30pm

- The science of sleep and practical strategies plus tips and advice.
- One-to-one support arranged individually with a sleep practitioner.

Love God, love learning, love one another.
