

Friday 1st April 2022

Weekly Bulletin

**Easter Holidays**

At the end of this term, I would like to say thank you to the staff for their hard work. It has been a challenging twelve weeks, with staffing plans being impacted by covid. However, everyone has pulled together and helped to ensure the smooth running of the school. They definitely deserve a well-earned break!

The children have also continued to work exceptionally hard and we are incredibly proud of their achievements

this term. We hope they enjoy their Easter break and return refreshed and ready for our final term.

Have a wonderful break and we look forward to seeing you all on Tuesday 19th April.

**Living with Covid**

From today, we will be following the government's guidance around living with covid. Free PCR and LFT testing has now ceased. The advice is, if unwell, children and adults should remain at home until they are well enough to return.

**Breerton Teddy Bears**

Thank you to everyone who came to our first session. We hope you enjoyed it! Our next session is on Thursday 28th April.

**All Aged Worship**

The next all age worship is Sunday 3rd April at 10:30am. Rev Sandi has asked us to

bring hats related to work/jobs - I wonder if you can guess which story she will be looking at?

**Pensarn**

This week Year 6 have had a fabulous time in Pensarn Harbour. A huge well done to the children for embracing all of the experiences and opportunities on offer. Thank you

also to Mrs Sant, Mrs Tice, Mr Cotton and Mr Collier for taking such good care of them. We hope they all enjoy a weekend of sleep!

Love God, love learning, love one another.

Matthew 20: 36-40
