Weekly Bulletin

Garden Party

We are looking forward to welcoming you to our Garden Party tomorrow. It is exciting to see it return this year and we offer a huge thank you to those who have already given so much time to organising the event and to those helping over the weekend. We hope you will enjoy attending with your families. The procession begins at the front of school at 12:30pm.

Disco

It is lovely to see so many children excited about this evening's disco. The disco starts at 6pm and all children will need to be accompanied by an adult. Tickets are available on the door if you haven't yet purchased one.

Swimming Pool

Children have started their swimming lessons and some have had their fun session. It has been lovely to have the pool on site and hear the children enjoying using it.

Sports Day

Sports day will be on Friday 15th July.

Children should come dressed in their school PE kit. KS1 races will be 9:15-10:15

and KS2 10:30—12. All races will take place on the grass area at the front of school. Children in Y6 will then be free to go home for lunch and meet back at St Oswald at 1:45pm for our Leaver's Service.

Brereton Teddy Bears

Our next session is on Thursday 7th July. Ethos Council will be running a mini sports day for all of those in attendance.

SRE Week

The week beginning the 11th July, Y1-6 will have three SRE (Sex and Relationship Education) lessons. The content of these lessons are carefully planned and structured. If you would like to view the resources in advance please contact the office.

Headlice

We have had some reports of headlice. Please check your child's hair and treat accordingly.

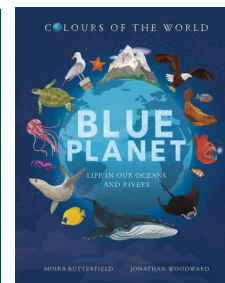

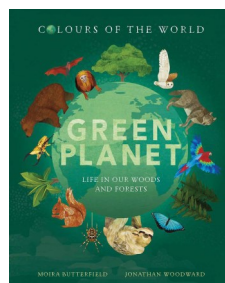

Holiday Reading

Jude from Holmes Chapel Library visited on Wednesday to introduce the Summer Reading Challenge. This year The Gadeteers are promoting reading. Jude shared the huge range of books children can choose from including cooks books, coding books and books about caring for pets. She also showed the scratch and sniff stickers and poster to collect. Please do not worry if you have overdue books, have lost your card or have not joined the library. Jude is very keen to welcome you and the librarians will help children sign up to the Summer Reading Challenge.

Science Winners!

Well done to Izzy, Dougie, Nina and Josh who won science books this morning. Mr Cotton entered everyone who has submitted science selfies into the draw. He will be re-launching the award next year—so look out for more information.

Love God, love learning, love one another.

Matthew 20: 36-40
