

Welcome Back Y6!

This week we welcomed back Year 6 Group B. It was lovely to see them all. We look forward to seeing Group C on Monday!

September

The Government has now confirmed all pupils will return to school in September. We are still confirming our plans but here are some of our key headlines:

- There will now be year group bubbles.
- Lunches and break times will be staggered.
- Drop off will be similar to our normal procedure (8:35-8:50am) and drop off will be altered to replicate this in order to help parents to socially distance.
- There will not be whole school events, such as worship.
- Before and after school club will be running but will be based in the school hall, where we can keep children in year group bubbles.

Full details will be sent out next week.

Transition

Y1 staff will swap classrooms and teachers on Monday 13th July to allow all Year 1 pupils to spend time with Mrs Saunders. Pick up and drop off times will remain the same for parents.

Years 2-5 should now have received their invitation to school for a morning on Monday 20th or Tuesday 21st July. Please let us know if you wish your child to attend so we can plan accordingly.

Y6 Leavers Service

Our socially distanced Leavers Service will take place on Monday 20th July 4-6pm. Children should be brought to the blue side gate and collected from the main playground.

Reading Books

Can we ask that if you have any reading books at home that belong to school they are returned by Tuesday 21st July? This will allow us to audit our books and input them into our new reading system, Accelerated Reader.

Thank you!

New Starters

We have updated the New Starters page of our school website so we hope parents find this useful. Can we ask that new starter forms are returned by 17th July. Thank you in advance.

Unfortunately, due to the current situation we have not been able to host our usual visits. However, Miss Wellings will be adding videos to the New Starter page on a regular basis and we will be inviting Reception pupils into school on our inset days (1st and 2nd September) to see their new classroom.

Summer Closure

School will be closed over the summer as we are having a new heating system installed.
