## Thank you!

Dear Parents,

Well, 2019-20 hasn't been quite the year we had planned. However, these unprecedented events have highlighted why Brereton is special. Throughout this time, we have greatly appreciated the support from parents and the local community. We know that many parents have been juggling home schooling and work but we think you have all done an incredibly job.

Thank you to the staff, who have embraced all of the challenges and have been in school throughout the lockdown. They've done whatever is needed and they've been incredibly eager to see all of the children who have returned to school. They are now busy getting ready to welcome all children back in September.

A huge thank you and well done to the children. They have lived through an historic event and adapted to the new way of life. They've missed their friends and their routines dearly. Those children who have returned to school, have done so with a smile and it has been lovely to see this eagerness and enthusiasm. Some children have been in school since March, allowing their parents to deliver critical services, and again, they have done so with a smile, never complaining.

At the end of this school year, we say goodbye and good luck to Year 6. We are confident that they will thrive at high school - they are more than ready for new challenges and opportunities! They have been a fantastic group of children and we will miss them all dearly.

We also say goodbye and good luck to Mrs Baddeley who is moving on to pastures new. We would like to thank her for her care and dedication to Year 1 and we wish her well.

Going forward, we look forward to welcoming our new Reception pupils. We will also be welcoming Mrs Tice and Mrs Lindersen to the staff team.

We cannot know exactly what is to come over the next twelve months, but please be assured that we have thoroughly planned for the return to school and we are really looking forward to returning to a 'new normal.' In September, we will identify key areas of learning that the children need support with and we will be 'building-up' their knowledge and skills, ready to begin the correct year group curriculum by October.

We hope you all have a wonderful summer and we look forward to seeing everyone on Thursday 3rd September.

Best wishes

Mrs McLean

Love God, love learning, love one another.

Matthew 20: 36-40

*At the start of the new school year  
We were full of hope and had no fear.  
We were looking forward to trips and plays  
And learning with our friends throughout the day.  
But in March, we were sent home to stay,  
Learning online was our new school day.  
We made rainbow pictures and went out to cheer,  
The keyworkers protecting those we hold dear.  
It has certainly not been the year we had hoped,  
But we've been amazed by your strength and how well you've coped.  
Thank you to your parents who have worked so hard  
Teaching, printing, making flash cards.  
You've all carried on during this period of change,  
And continued on when things were strange.  
Now you're moving on to year groups new,  
Filled with the confidence you need to see you through.  
From everyone at school, we say well done  
And we promise next year will be filled with fun!*

*Have a wonderful summer!  
Love from everyone at Brereton CE Primary*

**Love God, love learning, love one another.**

## Goodbye and Good Luck Y6!

May the road rise to meet you  
 May the wind be always at your back.  
 May the sun shine warm upon your  
 face.  
 May the rain fall softly upon your fields.  
 Until we meet again.  
 May God hold you in the hollow of his  
 hand.  
 Amen.

Love God, love learning, love one  
 another.

Matthew 20: 36-40
