

Brereton C of E (A) Primary School Newsletter

Autumn
Friday 27th November 2015

Dear Parents,

This morning we have three classes out of school: Year 5 have a day in Victorian costume at Blist Hill; Reception and Year 1 are on their way to Lyme Park dressed as princesses and knights. We wish them all a fabulous time.

Meanwhile back at school the office is over run with cakes and raffle tickets - it must be the Christmas Fair! This is an event not to be missed. The children love playing on the various games, trying their hand at the crafts and looking at the stalls. Entry is £1 per person. Turkey baps and hot dogs will be available on the night. If we are really lucky a special visitor might just drop by with some gifts for the children. Thank you all for your wonderful support. We have lots of cakes and you have done a magnificent job decorating sweetie jars this year. We look forward to seeing you all later.

Year 5 performed brilliantly last Friday in their class assembly. They travelled back in time to visit a Victorian classroom and taught us lots of interesting facts about Victorian times.

Next Friday is the Reception Nativity. Parents are welcome to join us at 9am for coffee and mince pies in the hall whilst the children magically transform into their Nativity characters and perform at 9.30am. We should finish before 10.30am. Parents, grandparents and other family members are all welcome to join us.

We are looking forward to theatre trips, nativities, Christmas parties and Christmas dinners, all rounded off by our favourite Carol Service at St Oswald's Church on Friday 18th December at 2pm. Sadly I will not be at the Carol Service as this is my very last day at Astbury St Mary's School and I must spend the day with them in order to finish off the term and say my goodbyes. I am delighted that I will be back here full time in January as I have missed everyone on the days that I have been away.

Please check your child's jumper to make sure they are not wearing one belonging to someone else. Also make sure they are clearly labelled so they can be easily returned.

We have received notification of an incident of threadworm. We would ask parents to talk to their child about the need to wash hands thoroughly with soap and water after using the toilet and dry them properly.

Threadworm is quite common in children but we do need to highlight this problem to ensure early detection and early treatment is sought. Should you have any queries please contact your local GP or Pharmacy for advice.

We have also had reports of head lice in school. I would therefore ask if parents could please check their child's hair, whether long or short each day.
