

# Brereton C of E (A) Primary School Newsletter

Spring Term  
Friday 15th January 2016

## Dear Parents,

Today we are very sad to be saying goodbye to Mr McAulay in Year 5 as he moves on to teach at St John's Sandbach Heath. Mr Collier will be taking over the Year 5 class as we are looking forward to welcoming Mrs Cadwallader back from her maternity leave on 1st February. We all wish Mr McAulay the very best as he will be missed here at Brereton.

Please could you ensure that your child has a coat with them in school during this cold weather. Hat, scarf and gloves may well be needed too. If we do get snow please send named wellington boots in addition to normal school shoes.

**Mad Science Club** is starting next week on Monday 11th January. This is always a really popular club as the children carry out all sorts of wonderful experiments and even get to bring something home afterwards.

**Our after school sports clubs** need more children in order to continue. This term they are Tuesday - Gymnastics, Wednesday - Key Sports Skills and Thursday - Hockey. Come and enjoy some new sports and learn new skills! Collect a form from the school office.

## Key Dates This Term

Year 3 Class Assembly Friday 5th February at 3pm.

PTA Valentines Disco Friday 5th February

Parent Consultations the week beginning 14th March

Fairtrade Fortnight 29th January - 4th February

Easter Service Friday 18th February 2pm at St Oswald's Church

## Stargazing Live

We received an email on Tuesday inviting a group of nine of us to go along to Jodrell Bank on Friday to watch the preparations for the Stargazing Live programme and Tim Peake's moonwalk. The pupils had to be Year 6 pupils and it was very difficult to pick just eight to accompany one adult to this exciting event. We will let you know all about it next week.

Tune in to BBC Stargazing live tonight 9pm and see if you can spot us!

This week we are celebrating our wonderful pupils.

During our School Improvement Partner visit yesterday it was noted that our pupils displayed outstanding manners and brilliant attitudes to learning; from holding doors open for others, to helping each other at lunchtimes; from being happy to talk about the process of learning to working together with a partner; without having to remind them, all of the children were fantastic!

Well done everyone; I was very proud of you!
