Spring Term  
Friday 22nd January 2016

## Dear Parents,

Again we have to say a few goodbyes as Mrs Scott and Miss Kennedy finish their time teaching and learning at Brereton and return to university to complete their degrees. We have loved having them in school and wish them every success in their teaching careers. Mr Stanway is leaving us too for a short while as he has time at university and at a second placement school. He will be returning to us in the summer term. In the meantime we welcome Mrs Freeman to our Year 6 classroom on her second placement.

## School Dinners

We have had new plates and bowls delivered to school to replace the tray system. The children have given very positive feedback, saying that they prefer the new system. Certainly there has been far less spillages as the plates are much easier to carry than the cumbersome trays.

This week we are celebrating our Year 6 pupils. Every day they share their lunch times with the children from Reception, Year 1 and Year 2. They help them to cut up their dinners, chat to them and help them throughout their time in the dining hall. They show care, consideration and kindness to the younger pupils every day and today's celebration is to let them know that they are noticed and appreciated; thank you, Year 6.
